TIME—The sale will start at 12:30 p.m. on Tuesday, January 11, 1955.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignors or written from information supplied by the consignor.

Sherlock, Wallace Farmer & Iowa Homestead, Des Moines, Iowa, Albert J. Hamann, Rock Rapids, Iowa, or to the auctioneer, J. E. Halsey, Box 1317 Des Moines, Iowa.

Foreword

The 15th Annual Tri-State Shorthorn Breeders Show & Sale will be held at Sibley, Iowa on Tuesday, January 11, 1955. It is encouraging to see the number consigning to this sale that were consignors to the first sale fifteen years ago. It is encouraging to see the improvement in type and quality that has come about in these very same herds the last fifteen years. Altogether it spells stability, continuity, and a purpose in mind for which each breeder is striving.

The record of the Tri-State Sales speaks far better for it than any words we might say. Many cattle have passed through this sale ring and gone throughout an area of many states. They have brought many satisfied buyers who return year after year.

Each year we have new breeders with new bloodlines joining the ranks of the consignors.

We say without hesitation that again we have bulls of herd bull caliber and real foundation females that will satisfy your seed stock needs.

The Tri-State Association appreciates the co-operation of the Sibley Chamber of Commerce which annually helps to present this prominent regional event.

We will be expecting to see you at SIBLEY on JANUARY 11, and know you will like this splendid offering.

Sired by the \$1800 Edellyn Royal Leader 137th who was one of the top bulls in the 1952 Edellyn Sale. He is out of one of our best daughters of Prince Peter. Two sons of Prince Peter were Tri-State champions and the 1953 and 1954 champion bulls were out of daughters of Prince Peter. This bull is good headed, deep, thick, short legged with a tremendous spread of rib. Considering his proven breeding and outstanding individuality this bull cannot help but make a great sire.
